VISION

MAINE MARITIME ACADEMY is a career-oriented college that strives to continue to be the globally recognized leader in providing the highest quality maritime, engineering, engineering technology, marine science, and logistics education with facilities and laboratories that are at the leading edge of technological innovation.

MISSION

The mission of Maine Maritime Academy is to provide a quality education primarily focused on marine related programs. The curriculum will empower students to take on leadership roles, encourage rigorous self-discipline, promote curiosity, and provide graduates with the skills and knowledge needed to succeed in the global economy.

It is the policy of Maine Maritime Academy to provide equal opportunity and treatment to all students, employees, and applicants in all areas of the Academy. No person shall be discriminated against because of race, religion, color, gender, age, sexual orientation, national origin, handicap, or veteran's status. Maine Maritime Academy subscribes to the principles and policies encompassed by the Uniform Campus Crime Reporting Act. A general overview of campus safety and security issues is made available to all students and employees.

An audited financial statement is produced following the end of each fiscal year. For a copy, please request one by writing to the Maine Maritime Academy, Office of Administration, Finance, and Governmental Relations.

The Academy reserves the right to make changes in its rules, regulations, procedures, degree requirements, and fees. Our online catalog is regularly updated with contemporary information and should be referred to for complete programming facts. Please visit www.mainemaritime.edu. This catalog is published online for the 2010-2011 Academic Year by Maine Maritime Academy, Castine, Maine 04420. Dr. William J. DeWitt III, Editor.

VISION

THE VISION OF THE LOEB-SULLIVAN SCHOOL is to provide an educational experience focused on the applied concepts of international supply chain logistics. There will be an emphasis on the maritime industry, and the related movement of materials and goods, that is the base of the global economy and the academics of Maine Maritime Academy. The school will work to instill confidence, develop competence and professionalism, and foster creative applied thinking in our graduates. We will position ourselves as a global leader in the area of international supply chain logistics and its related disciplines.

MISSION

The Loeb-Sullivan School is committed to specialized programs in global supply chain logistics and the related fields. Our commitment to quality education in our areas of expertise will earn us global recognition as a resource center for our immediate and global community of stakeholders. We will accomplish our mission:

- By providing an educational environment that stimulates intellectual curiosity, fosters professional competence, encourages self discipline, and develops critical thinking and effective communication skills
- By recruiting, maintaining, and developing a faculty actively involved in applied scholarship
- Through innovative and timely graduate and undergraduate programs that integrate the core functional area of business logistics internationally complemented by specialized professional courses
- Through continuous assessment and improvement of our offerings and activities
- By perpetuating experiential learning, the fundamental ethos of a Maine Maritime Academy education
- By partnering with organizations and individuals for mutual benefit and institutional growth
