## Admissions Requirements and Procedures

**LOEB-SULLIVAN SCHOOL** invites applications from all individuals interested in pursuing challenging new opportunities in international business/maritime management/supply chain management. For the benefit of participants and the program, the Graduate Admissions Committee seeks a group of students with comparable managerial aspirations, but with diverse skills and experiences.

Applicants must possess an accredited baccalaureate degree or equivalent. A baccalaureate degree in business is not a pre-requisite. Applicant selection is based on evidence of academic capability demonstrated by college grade-point average, scores on either the Graduate Record Examination (GRE) or the Graduate Management Admission Test (GMAT) (one or the other is **required**), and evidence of motivation for completing the program as demonstrated by the candidate's personal statement of intent and letters of recommendation. Applicants whose language of education is not English **must submit** results of the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS).

The Graduate Admissions Committee will consider the following primary criteria in determining admission to the graduate program:

- Ability to produce high-quality work
- Potential contribution to the class and the program
- Potential as a manager
- Level of maturity and motivation for completing the program
- Relevant professional experience

All application materials are available on-line at the Loeb-Sullivan School website
